

Allen is quick to smile and quick to laugh . . . with a great sense of humor. Allen is a great listener, but also your go-to person for advice of all kinds. From eating to meeting and everything in between, Allen has all the goods on everything that's good. No wonder Allen has never met a stranger!

Allen is well educated...loves the good life and all the things it brings - fine food and wine, nice clothes, charming architecture. But Allen's roots are deep and humble. Allen knows that good times don't have to cost a lot of money or involve wearing anything other than jeans (although he does look good in a suit!). Hot wings, a cold beer, a fiercely fought hockey game . . . it doesn't get much better than that.

Allen has young kids so it's no problem directing you to family fun. . . the kind that's guaranteed to make memories. But just the same, Allen definitely appreciates date night. Allen is welcoming and hard to resist, always inviting people to join the action, to be part of the fun. I guess you'd say Allen is the quintessential people pleaser.

Allen is the kind of person you'd like to know. Who knows everything about the place you'd like to be. And when signing off, it sincerely means something.

All the best,

Allen
